RESPONSE

Sir:

This is in response to the United States Patent and Trademark Office Action mailed December 5, 2000, which response is being made on or before April 5, 2001 and for which an extension fee of \$110 is due. Please amend the above-identified application as follows:

In the Claims:

Please amend claim 1 as follows:

1. (Twice Amended) A cellular telephony searcher, comprising:  
a plurality of correlators for correlating a received signal with a pseudonoise sequence;  
an input mechanism for inputting said pseudonoise sequence into said correlators, each of said correlators receiving said pseudonoise sequence with a different delay; and
